Dear Customer:

We are currently updating our customer Sales and Use Tax Exemption Certificates and we need your help. We must have a current & valid exemption certificate on file or we are required by law to charge sales taxes on all invoices to your company. Please complete the exemption certificate below, including signature and date.  
Please fax back to 714-800-1863.

Note: As Clearcom Networks is a wholesale distributor, we are audited on an annual basis. This being the case we will be unable to sell you equipment exclusive of sales tax until we have received this certificate.

Thank you,

Connie Coppoth  
Controller
